Opportunity for Community Input on Detailed Design Features for Improvements to Furry Creek Section of Sea-To-Sky Highway

The Sea-to-Sky Highway Improvement Project invites local residents and businesses to attend an **open house** to provide feedback on detailed design features associated with improvements to the Furry Creek section of the Sea-to-Sky Highway.

Improvements are being undertaken to the highway between Horseshoe Bay and Whistler to improve safety and reliability. By 2009, extensive highway improvements will make travel along the highway safer and more reliable for residents, commuters and tourists.

The consultation with Furry Creek includes gathering community feedback and input regarding community gateway signage, lighting at entrances to pedestrian underpass, and landscape plans.

Community feedback can be provided by attending the open house or by accessing consultation materials, including an on-line feedback form at: www.seatoskyimprovements.ca

Furry Creek Open House

Date

February 13, 2007

Time

6:30 pm – 8:30 pm

Location

**Britannia Beach
Community Hall**
Britannia Beach, BC
