

# West Vancouver Public Open Houses

May 29<sup>th</sup> and June 5<sup>th</sup>, 2007

## Opportunity for Community Input on Detailed Design Features for West Vancouver Section of Sea-to-Sky Highway

The Sea-to-Sky Highway Improvement Project invites local residents, businesses and stakeholders to attend an open house to provide feedback on detailed design features such as gateway signage, lighting and landscape plans, associated with improvements to the West Vancouver section of the Sea-to-Sky Highway.

The Sea-to-Sky Highway improvements, to be completed in 2009, improve safety, reliability and capacity and will serve population growth and economic development in the corridor as demand increases for the movement of people and goods.

Community feedback can be provided by attending an open house or by accessing consultation materials, including an on-line feedback form which will be available on May 23, 2007 at: [www.seatoskyimprovements.ca](http://www.seatoskyimprovements.ca)
